OUR STORY

STANLEY® has set the precedent for quality tools and engineered solutions for professionals around the globe for more than 180 years. With a legacy of reliability, STANLEY® is the No. 1 tapes manufacturer in the world and continues to drive the industry forward with innovations including the STANLEY® FATMAX® product line as well as hand tools, power tools, storage and accessories that get the job done.

We're proud of our reputation for excellence and are dedicated to continually testing, designing, and improving our products to ensure quality and maximum function. Maintaining our standing as the world's best at what we do is vital to us and what you expect from a name like STANLEY®.

For more than 180 years our innovative products have helped build, repair and protect our world. Today that legacy continues.

MEASURING TOOLS

Precision, our mission since 1843.

Since 1843 STANLEY® tools have been on the belts and in the hands of professional contractors and accomplished homeowners. Synonymous with quality, reliability, innovation and value, STANLEY® is the first name in tape measures and trusted worldwide for accuracy and dependability.

STANLEY® tape measures deliver the features needed for fast and accurate measurements.

TAPE MEASURES

GLOBAL TAPE

- Polymer protective layer and sturdy ABS housing
- Clearly readable
- Chromed clip
- Ergonomic design with strap lock button
- TRU-ZERO™ hook for precise inner and outer measurements
- Accuracy: Class II

SKU CODE	PRODUCT DESCRIPTION	BARCODE	BOX QUANTITY
0-30-487	Global Tape 3m	3253560304874	6
0-30-497	Global Tape 5m	3253560304973	6
0-30-457	Global Tape 8m	3253560304577	6

TYLON TAPE

- Innovative and ergonomic design: light and compact measuring tape
- Soft grip for maximum comfort during use
- New Tylon protective layer, 1.5× more resistant to abrasion
- Matt, non-reflective finish of the band prevents reflection of (sun)light
- Manual locking system
- End hook secured to the blade with 2 or 3 pop rivets for increased strength and durability
- Handy belt clip to store the tape measure quickly and at hand
- Accuracy: Class II

FINISHING TOOLS

STANLEY has built a worldwide reputation for exceptional planing quality, which remains the reference of choice among professional users to this day.

Owning quality finishing tools says a lot about how serious a woodworker you are. Stanley's line of finishing tools is made with quality materials. The parts are precision ground. And they have features that give woodworkers greater control and accuracy.

STANLEY is the inventor of SURFORM, a must-have hand tool. It is the ideal solution for processing, sanding, rasping, shaping, filing and smoothing all types of materials. In short, SURFORM is always ready for use.

PLANES

BENCH PLANE

- For general use
- Painted, black steel version with smooth ground sole and sides
- With adjustable frog and fine adjustment

SKU CODE	PRODUCT DESCRIPTION	BARCODE	BOX QUANTITY
1-12-003	Bench Plane No.3 Bailey	5000366120034	6
1-12-004	Bench Plane No.4 Bailey	5000366120041	6

0-12-504	Block Plane Iron Blade 35mm	3253560125042	6

SURFORM FILES

SURFORM® FLAT FILE - PLASTIC

- Lightweight, plastic version
- Slightly curved blade to remove more material, especially when pulling
- Thumb screw for quick blade release - no tools required

SKU CODE	PRODUCT DESCRIPTION	BARCODE	BOX QUANTITY
5-21-102	Surform Flat File 140mm - Plastic	3253565211023	6

SURFORM® FLAT FILE - METAL

- Fitted with standard replaceable cutting blade with fixed plastic handle
- Accepts all types of 250mm long blades - for versatility
- Grooved front leaning handle for greater precision
- For use with push or pull action depending
- On direction of blade installation
- Strong heavy-duty metal body with
- Rear removable robust handle in yellow polypropylene

SKU CODE	PRODUCT DESCRIPTION	BARCODE	BOX QUANTITY
5-21-295	Surform Flat File 255mm - Metal	3253565212952	2

SURFORM® ROUND FILE

- Useful for enlarging holes and smoothing curved surfaces
- Ideal for pipe installations in MDF, chipboard, drywall or laminates
- Front grip can be easily removed for use in small holes
- High-impact polymer handle with thumb support holds up to heavy use
- Fitted with a replaceable (10"/250mm) round blade

SKU CODE	PRODUCT DESCRIPTION	BARCODE	BOX QUANTITY
5-21-297	Surform Round File 365mm	3253565212976	2

SURFORM PLANES

SURFORM® BODY PLANE

- Thumbscrew for quick blade release - no tools required
- Lightweight plastic molded body for strength and durability
- Fitted with replaceable standard cut blade ideal for general purpose use

SKU CODE	PRODUCT DESCRIPTION	BARCODE	BOX QUANTITY
5-21-103	Surform Body Plane 270mm	3253565211030	2

SURFORM® POCKET PLANE

- Thumbscrew for quick blade release - no tools required
- Lightweight plastic molded body for strength and durability
- Fitted with replaceable standard cut blade ideal for general purpose use

SKU CODE	PRODUCT DESCRIPTION	BARCODE	BOX QUANTITY
5-21-104	Surform Pocket Plane 140mm	3253565211047	6

SURFORM® STANDARD PLANE

- Ideal for smoothing drywall or ceiling board, wood, plastic and metal surfaces
- Polypropylene handle and metallic-gray die cast alloy body for strength and durability
- Used as a plane for trimming or leveling
- Takes all types of blade that are 250mm long
- Grooved front leaning handle for greater precision
- Fitted with replaceable standard cut blade
- High impact polymer handle up to heavy use

SKU CODE	PRODUCT DESCRIPTION	BARCODE	BOX QUANTITY
5-21-296	Surform Standard Plane 255mm	3253565212969	2

SURFORM® BLOCK PLANE

- Shave edges and remove material quickly with the Stanley Surform Pocket Plane
- Practical and handy - It can be used with a single hand. Strong heavy-duty metal body
- Instant mounting and dismounting of the blade using a wing nut
- Practical and handy - It can be used with a single hand
- 140 mm long blade
- Fitted with replaceable fine cut blade - ideal for edges and confined work spaces
- Thumb screw for quick blade release - no tools required

SKU CODE	PRODUCT DESCRIPTION	BARCODE	BOX QUANTITY
5-21-399	Surform Block Plane 140mm - Metal	3253565213997	2

SURFORM PLANER FILES

SURFORM® PLANER FILE

- Shave edges and remove material quickly with the Stanley Metal Body Planer Surform
- Can be set in two positions to be used as either a plane or a file
- Polypropylene handle and die cast alloy body for strength and durability.
- Painted metal body
- Molded handle
- Uses a 250 mm long blade
- Can be set in two positions to be used as either a plane or a file
- Fitted with replaceable standard cut blade

SKU CODE	PRODUCT DESCRIPTION	BARCODE	BOX QUANTITY
5-21-122	Surform Planer File 310mm	3253565211221	2

SURFORM SHAVERS

SURFORM® SHAVER

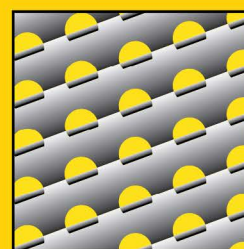

- Shave edges and remove material quickly with the Stanley Surform Shaver
- Compact tool with curved blade for increased stock removal
- Lightweight plastic molded body for strength and durability.
- Uses the 65 mm long 21-515 blade
- Molded handle which is practically unbreakable
- Simple click on blade replacement - no tools required
- Works on pull stroke

SKU CODE	PRODUCT DESCRIPTION	BARCODE	BOX QUANTITY
5-21-115	Surform Shaver 185mm	3253565211153	6

SURFORM®

SURFORM, ALWAYS READY TO USE

The STANLEY® SURFORM® sands, rasps, smooths, shapes and files all types of materials. The secret of its success lies in the blade: hundreds of teeth, sharpened and preset, work like little scrapers. You do not need to sharpen or adjust the blade.

HAMMERS

Designed for the professional, STANLEY® hammers feature specific heads and weights for building and demo along with secure grips, and fatigue-reducing handles.

We've carried out extensive research when developing our latest range of ANTIVIBE™ hammers. New vibration dampening technology ensures ultimate protection against hand and arm stress and yet delivers more striking power than traditional designs. The unique ANTIVIBE™ collars absorb potentially harmful shockwaves transferring additional power into every strike. Giving you the ultimate power and control.

BALL-PEIN HAMMERS

BALL-PEIN WOOD HAMMER

- Selected carbon steel striking faces
- Hardened and tempered
- Fully polished head
- Handles 25% longer for better balance and control
- Wooden handle – Hickory

FASTENING

Ease of use is rule number one in fastening. STANLEY® fastening tools are filled with features that make them a snap to operate. Our staple guns have easy-to-squeeze triggers and comfortable shock absorbing handles to reduce hand fatigue. Our glue guns are trigger fed. And we lengthened the handles on our riveters so they'd require less force to engage.

SCREWDRIVERS

Drive bolts and screws with reliable precision. STANLEY® screwdrivers deliver dependable, no-nonsense performance every time. Comfort, quality and versatility are the three attributes we engineer into our screwdriver line. Stanley screwdriver handles are shaped and sized to provide comfort in the hand and torque at the fastener head. The materials and construction are of the highest quality to resist corrosion, chipping and breaking. And with tips ranging from standard to Phillips® to flat, STANLEY screwdrivers cover almost every application.

FIXED SCREWDRIVER SETS

SCREWDRIVER SET 4 PIECE

- Chrome vanadium steel bar which allows a high degree of torsion and reduces the possibility of breakage
- Magnetic tip, black oxidized
- Handle with increased diameter for greater comfort
- Handle printed directly on the bar for long lasting guarantee
- Slotted 5.5 x100mm, 6.5 x150mm
